

# THANKS AND ACKNOWLEDGEMENTS

The 12 Model Law Enforcement Policies for Youth Interactions project was led by Shelley R. Jackson, who co-authored the policies with Lisa Thureau. We wish to thank members of the [Strategies for Youth team](#) including Johanna Wald and Kristen Wheeler for their insights and suggestions, and Jasmine Bruner and Sarah Kravette for their production efforts!

Strategies For Youth drafted these policies after receiving extensive legal research from Kathy Quezada, Olivia Campbell and Bob Buchanan of [Choate, Hall & Stewart](#). We thank them for their work.

Many lawyers from the firm [Gibson, Dunn & Crutcher LLP](#), including partners Roscoe Jones, Tiaunia Henry, and John Partridge, and associates Iris Hill Crabtree, Stanton Burke, Sean J. Brennan, Christopher Wang, Maya Halthore, Mary Naughton, Akila Bhargava, and Maximilian Kornwachs contributed to the report through the [American Bar Association Legal Education Police Practices Consortium](#) during this process. We are grateful for the work they did to bring this project to fruition.

We also wish to thank [One Visual Mind](#) for layout of the policies and the landing page.

Strategies for Youth would like to thank the [5 Together Foundation](#) for their generous support which made this endeavor possible.
